### \***Congratulations to ISS**

Congratulations to all those who serve on the ISS Exec Board for being named Engineering Council Society of the Month. The exec board members: Coralie Jackman, director; Ben Parks, assistant director; David Slaby, treasurer; Sarah Barrett; secretary plus a myriad of other students who serve on this board in various capacities!

### \***ISS December General Meeting & Movie Night**

**Wednesday, December 8, 6:00 pm**

ISS will have a general meeting to recap the semester, have outstanding member recognitions, and discuss visions for the spring. We'll be playing a couple episodes of the From the Earth to the Moon mini-series. Enjoy popcorn, pizza and pop -- stay as long as you would like! Episodes run around 45 minutes each. Take a study break and learn about the Apollo era from a ~dramatized~ engineering perspective.

### \***Limelson-MIT Illinois Student Prize**

**Entry Deadline: Thursday, December 9, 2010**

The Limelson-MIT Illinois Student Prize, administered by the Technology Entrepreneur Center in the College of Engineering, is awarded on an annual basis to an undergraduate or graduate student who has created or improved a product or process, applied a technology in a new way, redesigned a system, or demonstrated remarkable inventiveness in other ways.

Interested students may apply by completing the application form which can be accessed via the [www.30kprize.illinois.edu](http://www.30kprize.illinois.edu) site.

### \***NASA Academy Summer Internships**

**Application Deadline: January 18, 2011**

The 2011 NASA Academy is an intensive ten-week residential summer experience. You will live with other highly motivated interns, conduct important laboratory research at a NASA Center, participate in group projects, and attend learning events with NASA leaders and industry experts. After graduation, you will join the NASA Academy Alumni Association (NAAA) where your role in the space community is only just beginning. Application is online and available at <http://www.AcademyApp.com>. This application serves the:

- NASA Academy at Ames Research Center (Mountain View, CA)
- NASA Academy at Glenn Research Center (Cleveland, OH)
- NASA Academy at Marshall Space Flight Center (Huntsville, AL)

- NASA Aeronautics Academy at Glenn Research Center (Cleveland, OH)
- NASA Aeronautics Academy at Langley Research Center (Hampton, VA)
- NASA Lunar and Planetary Science Academy at Goddard Space Flight (Greenbelt, MD)
- NASA Propulsion Academy at Marshall Space Flight Center (Huntsville, AL)
- NASA Robotics Academy at Marshall Space Flight Center (Huntsville, AL)

**\*2011 Undergraduate Research Symposium**

**Proposal submission deadline: Sunday, Feb. 27, 2011, 11:59 p.m.**

**Symposium: Tuesday, April 12, 2011**

The fourth annual campus-wide Undergraduate Research Symposium gives undergraduates the opportunity to present the fruits of their research, scholarly, and other creative endeavors—especially those undertaken with mentorship from faculty.

Over 200 students were on last year’s symposium program: 111 delivered oral presentations on panels with peers who share their academic interests, and 96 presented posters that summarized research findings. Over 140 faculty members, postdoctoral fellows, and doctoral students served as mentors to the undergraduates on last year’s symposium program; 20 mentored more than one student on the program. We are hoping that even more students and mentors will participate in the 2011 symposium.

**\*2011 ITI Undergraduate Summer Research Internship Opportunity**

**Application deadline (international students, including international students now studying in the U.S.): January 31, 2011**

**Application deadline (U.S. citizen or permanent resident): February 20, 2011**

The Information Trust Institute (ITI), a national leader in combining research and education with industrial outreach in trustworthy and secure information systems, invites undergraduates to apply for Undergraduate Research Internship awards for Summer 2011. Selected students will be supervised by ITI researchers at the University of Illinois at Urbana-Champaign who are leading experts in a number of information trust, information assurance, and security research areas.

All interns will receive stipends and housing. The duration of the internships will be 8-10 weeks. The main program will run from May 31 to July 29; if those dates conflict with your academic calendar, other start and end dates may be considered.

Applicants should be undergraduate students at any university, in their second or third year, who have completed some technical course work in computing. Applicants who will have completed their third (junior) year are preferred. Both U.S. and international students are welcome to apply.

Visit the website, [www.iti.illinois.edu/2011interns](http://www.iti.illinois.edu/2011interns). If you can't find an answer to your question there, contact Dr. Masooda Bashir, ITI Assistant Director for Social Trust Initiatives, [mnb@iti.illinois.edu](mailto:mnb@iti.illinois.edu)

**\*Engineering Career Services-Spring Career Fairs**

**ECS Career Fair**

February 1st and 2nd from 10AM to 3:30PM

Illini Union Rooms A, B, and C

## **EXPO Career Fair**

February 10th from 10AM to 4PM  
Illini Union Rooms A, B, and C

## **Business Career Fair**

February 1st and 2nd from 12PM to 4PM  
Activities and Recreation Center (ARC)

## **Big Ten Conference Career Expo**

March 11, 2011 from 9AM to 3PM  
Union Station Indianapolis, Indiana

### **\*Certificate in Business**

This spring the College of Business will again offer the Certificate in Business for non-business graduate degree students. This year's program runs from February 1st, 2011 to April 26th, 2011. The twelve week program includes a business simulation exercise that will enable participants to integrate individual topics into an integrate whole.

Additional information and on-line registration can be found at <http://business.illinois.edu/cib/>

If you have any specific questions, please email Sandra Carroll at [sicarrol@illinois.edu](mailto:sicarrol@illinois.edu) or (217) 244-3115.

\*\*\*\*\*

### **\*Test Anxiety Diagnosis and Treatment**

Dr. Paul Joffe, clinical counselor, will be meeting with students who have test anxiety each Monday from 1-2:00 pm in 206 EH. This is generally handled within a two appointment cycle—one for diagnosis and one for treatment. Dr. Joffe has a 70-80% success rate on helping students improve. Call the Academic Programs Office at 333-2280 or email [Buchner@illinois.edu](mailto:Buchner@illinois.edu) to schedule an appointment. If this time not convenient, can call 333-3704 to schedule with Dr. Joffe for another time at the Counseling Center.

\*\*\*\*\*

### **\*AE Tutoring Sessions**

#### **Monday-Thursday from 5:30-8:30 pm, Room 319M Talbot Lab**

The tutoring sessions will begin on Monday, August 30, 2010. The tutors will help with all technical courses. All students are welcome to use the tutoring sessions or if you just need a quiet room to study. If you have further questions or concerns, please email Barb Kirts at [bkirts@illinos.edu](mailto:bkirts@illinos.edu)
